### How to order:

Order your Rooflight by providing us with the external width dimensions of the timber upstand. We will add for a 10mm gap to provide a drip detail, around the timber upstand.

**Stock Sizes** in Stock Colours, are boxed and ready to deliver.

**Bespoke colours** are also available, on a two week lead time.

### Glass Specification:

6mm Toughened, Activ Neutral, Low E, with Argon Gas and Warm Edge Spacer Bar.  
All Flat Rooflights are supplied with glazing included.

**Trade Price:** Price includes delivery. Please add Vat to the prices below.

| Width  | Length |        |        |
|--------|--------|--------|--------|
|        | 800mm  | 1000mm | 1500mm |
| 600mm  | £475   | £525   |        |
| 1000mm |        | £595   | £895   |
